Dear Chairwoman Granger and Ranking Member DeLauro:

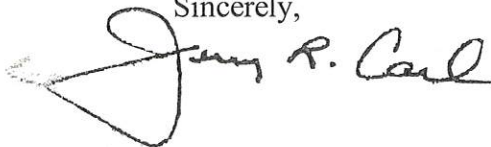

I am requesting funding for the Bellingrath Asbestos- Concrete Replacement Project in fiscal year 2024. The entity to receive funding for this project is Mobile County Water, Sewer and Fire Protection Authority located at 5780 Theodore Dawes Road, Theodore, AL 36582.

The funding would be used for replacing aging, outdated and potentially dangerous water pipes with safer, more reliable and current piping materials. The project is an appropriate use of taxpayer funds because it will help improve the safety and consistency of water delivered to customers.

The project has a Federal nexus because the funding provided is for purposes authorized for Drinking water projects and by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Jerry L. Carl". The signature is stylized with a large, looped initial "J" and a trailing flourish.
